# Regent $\times$ BLACKLANE

SEVEN SEAS CRUISES<sup>®</sup>

We're thrilled to announce an exciting update regarding our private transfer services. For new bookings beginning July 1, 2024, Regent will be transitioning to an exclusive partnership with Blacklane, a premier ground transportation provider renowned for its luxury and reliability.

## What does this mean for you?

Well, booking your private transfers just got a whole lot easier. You or your travel advisor can now arrange your chauffeured transfers directly through Blacklane's user-friendly app or website, giving you the ultimate control and flexibility as to when and where you want to go. You'll also be able to change and modify your reservation within the app and you will be directly connected with your driver on the day of transfer for easier and more reliable coordination and communication.

## Who will be able to use Blacklane?

Guests who choose an Ultimate All-Inclusive Fare with Roundtrip Air will receive a Blacklane credit of \$250 per guest (up to \$500 per suite) for private executive chauffeur service. These can be used for home to airport journeys, or to upgrade the complimentary airport to ship transfers. Guests will receive their Blacklane voucher directly, giving them flexibility to use this credit to cover any transfer needs starting 10 days prior to their cruise up to 10 days post cruise.

In addition, Blacklane will also become the exclusive provider for private transfers for guests who have attained Seven Seas Society Titanium status and above, which entitles them to two free private transfers, and for Regent Suite guests who receive the perk of unlimited private transfers.

## What can the up to \$500 per suite credit cover for Blacklane?

The up to \$500 per suite Blacklane voucher will typically cover two journeys, such as home to airport and airport to home, each in a private SUV, carrying up to 5 pieces of luggage. When booking your transfer, you will have the option of what type of car to select, including how much luggage that vehicle can hold, so you can choose based on your unique needs. The credit is yours to apply as you wish and isn't limited to a set number of transfers or a specific leg of your journey (i.e. ship to airport).

## How do I reserve my Blacklane transfer?

About 60 days prior to your sailing, you will receive an email from Regent with instructions on how to book your transfers.

## What was the impetus for the partnership?

As with everything we do, we listened to the feedback from our valued guests that they wanted more options for an elevated private transfer experience. We're committed to exceeding your expectations at every turn, and our partnership with Blacklane is just another way we are delivering on that promise. We believe you should have the flexibility of customizing all aspects of your transfer, from communication and pickup to receiving instant support, so that you get to enjoy a smooth and stress-free experience.
